

## Statement

A Lebanese music Producer/Dj | realtime Audio-Visual composer & performer based in Dubai. She expresses her inspiration by tapping into the multi-genre music and art world. She explores and experiments with Surrealist, organic sounds and textures in the form of Downtempo/Electronica music. Her pieces communicate emotional, social and cultural concepts that are prominent in her journey of self-discovery. The art of communication is what inspires her work and is the reason behind her executions.
